

# CERTIFICATE

## The company

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report NC-9046/144C/2019

## for the following articles:

Nonwovens made of 100% polyester, 100% polypropylene and 100% polyamide as well as their blends and blends with viscose fibres (CV share up to 50%); in colours: white, grey, green, blue, yellow and black; with or without copolymer aqueous dispersion, with or without thermoplastic auxiliaries (including nonwovens made of flame retardant fibres accepted by OEKO-TEX®)

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**The certificate IW 00023 is valid until 31.10.2020**
